Dedication

We the members of the class of '64 wish to express our gratitude to the parents and friends of the Mohawk School District, many of whom have aided us in many ways.

Most of us have been students in this High School for four years. We have seen the new Mohawk District grow and develop. We know that personal sacrifices have been made in order to make our new building possible. We are proud to be the first class to graduate from it. As we leave to face an uncertain future it is our wish that we may help to build a better world.

Because your untiring interest in our welfare will always be appreciated and remembered we dedicate this 1964 Annual to the Parents and Friends of the Mohawk School District.

There is an overlapping of personnel in these pictures due to the fact that each elementary school has their drivers and some from each school go to the high school to get those students. These men deserve a great deal of credit for the care they take in handling the school buses. They are interested in the safety of the school children of the district.

Wouldn't it be discouraging if upon arriving at school our school yards would be carelessly kept and our buildings cold and dirty. These conditions do not exist and these are the men who should be given credit for the good condition of our school and school yards.

A delightful comedy in three acts, "Lock, Stock, and Lipstick" took place at the guidance office of Pembroke High School. In this plain, uninteresting room of dull efficiency, Mr. Warren attempted to do guidance work in spite of the commotion caused by Jane Gardener, new girl's counselor, and her clients, Carol and Larry. Harmony finally did set in at the end and everything worked out fine.

Tepee Tales has been put out by you, the student.

We believe that the school paper has kept everyone well in formed and happy. We, and our sixty-odd reporters, have tried to keep up with the current events around school, and have tried to be factual.

In the middle of the school year, we changed over and placed the school news in the Sycamore Leader. We believe this endeavor has worked well for everyone.

This year has been a good one for the paper.

There were several special awards in our chapter. The chapter itself won the State award of Merit which is received by meeting certain state requirements. Sherry Bridinger was accepted into the State F.H.A. chorus which performed at the State Convention. Eight girls received their Junior degree by meeting set requirements. Joyce Carr was chosen the most outstanding homemaker of the year and was awarded the Crisco Trophy.
